News You Can Use

PREVENT DISCONNECT

Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges such as your telephone line, and fees and surcharges MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$.00. Also, neglecting payment for other charges, such as long distance, voice mail, InLine®, wireless, and Internet may result in those services being interrupted.

LONG DIST. PROVIDERS

Our records show that you have not selected a primary local toll or long distance carrier. Please contact us if this does not agree with your records.

FEES AND SURCHARGES

AT&T collects monthly fees and surcharges to help recover its required contribution to government programs and to recover costs AT&T pays in taxes and required payments levied by federal, state, and local governments. These fees and surcharges included on your bill are periodically adjusted to align with the rates determined by the government agency that is responsible for the state or federal fund or tax and subject to change at any time without notice to you unless required by law. For more information, please contact an AT&T Service Representative at the phone number listed on the front of your bill.
