ABOUT YOUR PAYMENT:

- Your payment must be credited to your account by the date it is due to avoid a late fee, removal of current discounts and promotional pricing, or an interruption of service.
- Refunds on credit balances are generally made three (3) months after service has been discontinued to ensure all pending and unbilled charges are paid. A check will be made payable to the name on the account and mailed to the billing address on file.
- Your automatic payment will be made to your account within five (5) days prior to the due date.
- A \$30 charge applies for non-sufficient funds; returned checks may result in suspension of service.
- One-time payments made with a credit/debit card or an electronic deduction from a bank account, and all credit card payments including automatic payments, will receive a processing fee of \$3.95 per transaction. This fee applies if the payment is made online at arvig.com, over the phone or in the store. This fee is charged by the payment processing company, and not by Arvig.
- To avoid payment processing fees, we encourage you to sign up for AutoPay via ACH through your checking or savings account.

LATE FEES:

A late fee of \$2 per month or 1.5% of each service account balance, whichever is greater, will be applied to any balance over \$20 beginning 24 days from the billing date. This applies to each individual service account for internet, television, phone and security services.

Please note: If your account is disconnected, current discounts and promotional pricing may be unavailable upon reconnection and early termination fees may apply.

SERVICE DISCOUNTS AND SPECIAL OFFERS:

AutoPay via ACH and Paperless Billing are required to receive any available discounts and special offers on services. The discounts will be applied each month as long as they remain active. If either AutoPay or Paperless Billing are deactivated or your account is permanently disconnected for any reason, the discounts and promotional pricing will not apply upon reactivation or reconnection and early termination fees may apply.

Save \$3 Per Month!

Still receiving paper statements by mail? Sign up for Paperless Billing and save \$3 per month.

Paperless Billing means less paper and clutter in your home, but more importantly, it could help prevent identity theft resulting from stolen mail.

Visit arvig.net to sign up for Paperless Billing. Register or sign in to your account, click ACCOUNT PREFERENCES, then click SIGN UP under Paperless Billing. Once enabled, your monthly statement will be sent to you by email each month.

While there, don't forget to sign up for AutoPay, which is more secure than mailing a check. It's easy to set up automatic payments from your bank account, and you'll never miss a due date again!

If you are an Arvig phone customer, you are not being charged the \$3 paper statement fee, and there is nothing you need to do.
