News you can use

Credit balance

If you have a credit balance on your final bill, the refund will be issued upon return of AT&T owned equipment. If you have any questions, please call AT&T at 888.288.8339.

Return of equipment

Unless AT&T has agreed to allow another party to assume responsibility for your service, you must return all AT&T owned equipment within 21 calendar days from the disconnect date to avoid being assessed a fee for each unreturned piece of equipment. An itemized list with return instructions was sent to you. Return instructions also available at att.com/equipmentreturns

AT&T internet service price increase

Your current internet service term has expired. In the next two bill cycles, your monthly rate for internet service will increase to \$70.00. If you have any questions about this change, please call the toll-free number on your bill and an AT&T Service Representative will assist you with your account.
