

Minnesota Customer Rights

Deposits and Billing

If a deposit is collected, the deposit, including annual interest, is generally refunded after 12 consecutive months of uninterrupted telephone service. If service is disconnected during this time, the deposit plus interest will be applied to the closing bill and any excess will be refunded.

You are responsible for all legitimate, undisputed charges on your bill. You must pay all basic local service charges to avoid basic local service disconnection. Frontier will mail a written Notice of Suspension to customers at least ten days before the service suspension date. Failure to pay other charges will not cause disconnection of your basic service but this may cause other services to be terminated. Service will not be refused or suspended for delinquency in payment for service by a previous occupant at the same premises other than a current member of the household. If your service is terminated, you may be subject to additional charges involving reconnection fees and deposit requirements in order to restore service.

Blocking Options

Your monthly bill may contain charges for additional services purchased from companies other than Frontier. Such charges appear in a separate section of your bill along with the name of the service provider. Be certain that you are only being charged for services you've authorized. You can call Frontier or the service provider at the toll-free numbers provided on your bill with any questions about charges. You do not have to pay Frontier for any disputed third party charges and Frontier will not pursue collections or adverse credit reports for such charges. If you want only charges from Frontier on your bill, call Customer Service to ask for a block on your account at no charge to you. Optional services are available from Frontier to block certain Caller ID information, calls to 900/976 numbers, and toll calling.

Service Quality Guarantee

Frontier endeavors to repair telephone service outages within 24 hours of the time the trouble is reported. If Frontier fails to restore basic residential or business telephone service within 24 hours after you report an outage, you are eligible for a pro rata credit of the monthly local telephone service recurring charges.

Customer Satisfaction

If you have a trouble with your telephone service or a question about your telephone service or bill, or troubles related to broadband internet service, call Customer Service at 800-921-8101. If you experience a problem, ask to speak with a supervisor. If you are not satisfied after speaking with a supervisor, customers may contact: Frontier Customer Relations at 1-888-895-0537. Or you may write to: Frontier Customer Relations, PO Box 5156, Tampa, FL 33675. If you have a dispute with us that is not resolved, the Consumer Affairs Office of the Minnesota Public Utilities Commission, is available to help you. You may contact the Commission by email consumer.puc@state.mn.us or by calling 651- 296-0406 or 1-800-657-3782. Or write: Public Utilities Commission, Consumer Affairs Office, 121 7th Place E, Suite 350, St. Paul, MN 55101-2147.

IMPORTANT INFORMATION ON TERMINATION FEES...

The term service plan to which you subscribe will renew automatically for another 1- or 2-year term commitment. An early termination fee may apply if you cancel or change services before your term expires. Call customer service at 1-844-910-8102 at least 30 days prior to the expiration of your term plan to cancel your auto renew option. Refer to Monthly Service Charges section of this bill for applicable term dates. If you wish to prevent your term plan from auto-renewing or have questions, please contact Frontier. Visit Frontier.com/terms or Frontier.com/tariffs for other important service Terms, Conditions, and Policies.

Beginning July 2, 2024, the Federal USF Recovery Charge and the Frontier Long Distance Federal USF Surcharge are increasing from 32.8% to 34.4% of the taxable interstate and international portions of your phone bill. Both charges support the Universal Service Fund, which keeps local phone service affordable for all Americans by providing discounts on services to schools, libraries, and people living in rural and high-cost areas. NOTICE OF RATE INCREASE...

Per the terms of your Frontier Services Agreement which provide for auto-renewal for an additional one-year period at one-year rates, effective with this bill, the charge for the long-distance component of Frontier Simply Unlimited Voice (FSUV) has increased by \$10.00 per month, per line.

PAYING YOUR BILL, LATE PAYMENTS, RETURNED CHECK FEES and PAST DUE BALANCES

You are responsible for all legitimate, undisputed charges on your bill. Paying by check authorizes Frontier to make a one-time electronic funds transfer from your account, as early as the day your check is received. When making an online payment, please allow time for the transfer of funds. If funds are received after the due date, you may be charged a fee, your service may be interrupted and you may incur a reconnection charge to restore service. A fee may be charged for a bank returned check. Continued nonpayment of undisputed charges (incl. 900 and long distance charges) may result in collection action and a referral to credit reporting agencies, which may affect your credit rating.

IMPORTANT CONSUMER MESSAGES

You must pay all basic local service charges to avoid basic service disconnection. Failure to pay other charges will not cause disconnection of your basic service but this may cause other services to be terminated. Frontier Bundles may include charges for both basic and other services. Frontier periodically audits its bills to ensure accuracy which may result in a retroactive or future billing adjustment. Internet speed, if noted, is the maximum wired connection speed for selected tier; Wi-Fi speeds may vary; actual and average speed may be slower and depends on multiple factors.
