**Billing, Payment Policies and Fees:**

Cox Business bills all customers in advance for monthly recurring charges and in arrears for non-recurring charges such as On Demand/pay-per-view and long distance. Payment in full is due to Cox by the "Due By" date indicated on your statement. If payment is not received by this date, your bill will become past due and may be subject to additional fees, such as late payment charges, electronic reactivation fees, or returned payment fees. Payment of your Cox bill confirms your subscription to services and the possession of Cox owned equipment listed on your bill.

When you provide a paper, electronic check or electronic fund transfer (EFT) as payment, you authorize Cox to process your payment as a traditional check transaction or to make a one-time EFT from your account. An EFT may debit your account as soon as the same day you make your payment. Payments returned unpaid for any reason will incur a returned payment fee of up to \$25.00, or the maximum allowed by state law. By using a credit card, debit card, paper check or an electronic check to make a payment, you agree that, if your payment is returned unpaid, you expressly authorize a one-time electronic fund transfer from your account for the amount of the payment plus any returned payment fees. If payment is not received by the "Due By" date indicated on your statement, a late payment charge may be assessed on your account.

**Billing Dispute and Resolution:**

If you have any questions or disagree with any portion of your bill, please contact us at the phone number on this statement no later than 60 days from the due date indicated.
